## Surfside Fire Station

### Pacific County Fire District #1

Great News for Surfside:

The HOA Office received the information that the Surfside Fire Station at 32113 H Place (Corner of I Street) has now been permanently staffed!

They have an EMT and a Paramedic on staff in Surfside 24/7

Their response time within Surfside is now less than 5 minutes!

## Meeting with Deputy Mike Ray on Saturday, 3/1/25

We like to thank Mike Ray for his time to introduce himself to the Surfside members.

Thanks as well to Sheriff Garcia for his attendance!

Mike's top 3 priorities are

- Stop crime in Surfside
- Slow down traffic
- Assist the Community

Mike is employed by the Sherriff's Office, not by the Surfside HOA.

He currently works Saturday through Wednesday and is doing patrols through all streets in Surfside. He is living in Ocean Park and he is very knowledgeable about Surfside. He is excited to get re-connected to our community. If you see him, you are always welcome to wave and say hello to him.

We are reinstating the "Patrol Service" for Surfside members. If you leave your home for a certain period of time, you are welcome to come to the HOA office and fill out a "Patrol Service" form. This form will be given to Deputy Mike Ray and he will watch you property, check your house, doors and windows.

If a crime occurred, please call the Pacific County Sheriff's department and report it. Please call the non-emergency phone number (360)-642-9397. They will take your information.

In case of an emergency or if you experience a violent crime, immediately call 911!

An officer will be dispatched.

Please do not call the Surfside HOA Office. The office has no authority to respond or dispatch an officer!

# NEIGHBORHOOD WATCH IS BACK

Re-establishing the Neighborhood Watch in the Surfside community is an important step in enhancing safety and fostering a stronger sense of the connection among residents. A Neighborhood Watch program encourages local residents to take an active role in safeguarding their neighborhood by monitoring and reporting suspicious activities. By revitalizing this initiative, Surfside can create a united front against crime, where neighbors look out for one another and work together to prevent potential threats. This collaborative approach can also build a stronger sense of community, encouraging residents to interact more and take pride in their shared environment.

The benefits of re-establishing the Neighborhood Watch in Surfside are multifaceted. First and foremost, it can significantly improve the overall safety of the area. Studies have shown that active neighborhood watch programs lead to reduction of crime, as criminals tend to avoid areas where they know residents are vigilant. In addition to crime prevention, the program can help reduce the fear of crime, which can have a lasting effect on residents' quality of life. With more people actively engaged in looking out for each other, Surfside can become a place where families feel more secure, children can play outside without fear, and residents are more likely to engage in local events.

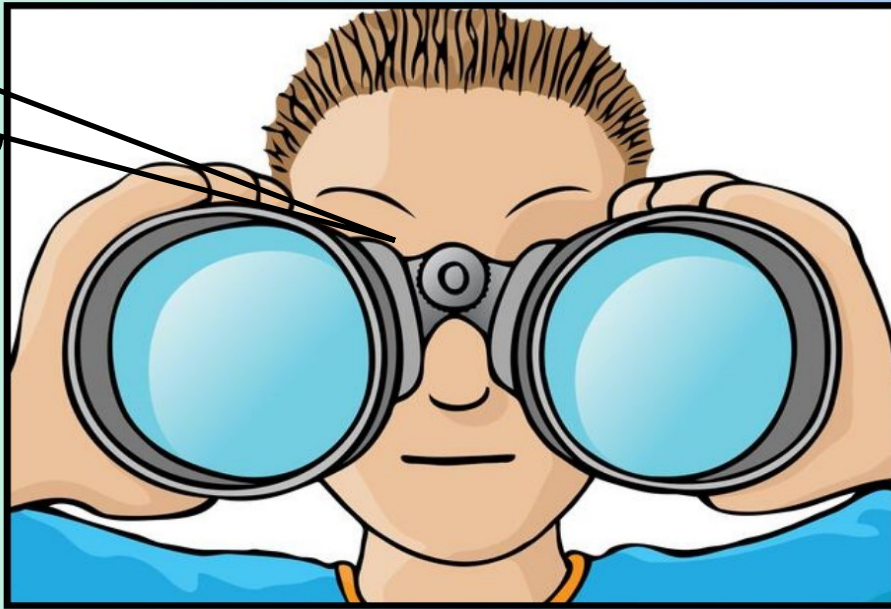

Getting the community involved is key to the success of the Neighborhood Watch program. Organizing informal meetings, collaborating with local law enforcement, and utilizing social media platforms to keep residents informed can help spread awareness and rally support. Engaging local leaders and neighborhood organizations to promote the initiative will further encourage residents to participate. By involving everyone—homeowners, renters, and business owners—Surfside can establish a solid network of watchful eyes, creating a safer and more connected community for everyone.

# NEIGHBORHOOD WATCH IS BACK

## SURFSIDE AREA NEIGHBORHOOD WATCH

Next Meeting  
Thursday, April  
3rd @ 2pm

We are a group of concerned residents who want to deter crime in our community by being the “extra eyes and ears” of the Sheriff. Through familiarity with our block neighbors the group will strive to be aware, watching for suspicious activity and reporting it to the authorities. If you are interested in participating in this neighborhood watch partnership, please contact your neighbor at the number or email below.

## Board and Committee Meetings

### Next Board Meeting: March 15

To find the meeting links for Board Meetings and Committee Meetings just visit the website, by clicking [here](#). If you have any questions, just give us a call at 360.665.4171

## Water Turn On Service

If you need your water turned on for the summer season, give us a call during regular business hours and put in a request. A member of our water department staff will go to your house or lot and turn on your water at the meter. This service is **free of charge**. Call 360-665-4171.

## Summer RV Season is starting March 15th

It's almost here! The summer RV season is upon us and that means sun, fun, and permits. If you plan to bring your RV back to your home at the beach, **please stop by the office and get a conditional use permit and register your stay**. Permits will not be sent via email, but we can arrange to leave them for you to pick up after hours.

The summer use permit is good from March 15th to October 31st (2.9a.1) The **permit must be prominently displayed and visible from the street** (2.9a).

In addition to being a covenant, permits are a safety measure ensuring only owners and their guests are parked on a lot and not squatters. And remember, **all RVs must be registered, licensed, and maintained in a mobile condition at all times** (2.9a). Enjoy your time at the beach!

## SURFSIDE HOMEOWNERS ASSOCIATION INFO

SATURDAY 11-3**

# ARCHITECTURAL COMMITTEE

Plan on installing a fence, a shed, a gazebo or building a garage or a house?

REMINDER...

ALL building plans must be submitted to the Architectural Committee prior to any construction.

*Pacific County will not approve permitting until the committee has signed off on all plans.*

The committee meets every Tuesdays at 9 a.m. at the business office. **The plans MUST be submitted by Friday at noon to be added to the next week's agenda.** The building packets are on our website at [surfsideonline.org/forms/](http://surfsideonline.org/forms/) or you can pick them up from the business office.

Please notify the business office if you want to attend the meeting in person.

**If you are building on a vacant lot without an address, please post a sign so the committee knows which lot will be developed.**

**Two (2) sets of plot plans must be submitted to the committee.** Once approved, you will get a copy of the approved plan. Take it to the county for their approval as needed. Surfside will retain one set of approved plans to keep on file.

For more detailed information on the Architectural Committee duties and guidelines go to our website [surfsideonline.org](http://surfsideonline.org), select the Other tab, then Governing Documents. Download the Operations Manual and the Surfside Restrictive Covenants or call the business office 360-665-4171 with questions.

Thank you!
